

# Reading Round up!

West View Reading News  
Spring 1 Edition  
Friday 20th January

## What's new?

There is exciting reading news at West View this week. We have purchased 120 brand new books for our Reception and Year 1 children to take home as sharing stories. Look out for more information about this next week. We can't wait to see how these stories are shared at home. Also our older children have been enjoying reading their class novels everyday and talking about the characters and plots. We have such a range of books being read across school this half term from the Great Fire of London to volcanoes and even the moon landing. Ask your child what they are reading in class this half term.

## BoomReader Snapshots

Here is a snapshot of some of the amazing reading which has been going on at home this week at West View.

Excellent sight reading from Poppy tonight, she's reading this book very quickly now- Reception.

Jack enjoyed reading this book and was proud of himself for reading it independently- Year 2.

Elisa read with excellent expression. She was very fluent and showed a good understanding by answering questions- Year 6.

## Did you know?

The first Mr Men book, Mr Tickle, came about when author Roger Hargreaves was asked by his son what a tickle looked like.
