Dear Parents/Carers of children currently in Year 3,

Your child will take their Y4 Multiplication Check in June 2024. **There is a 2-week window in which this can take place, starting w/c 3rd June 2024.**

Please can we ask for your support in ensuring your child's attendance during this period. It is really important. Please take these dates into account when booking any holidays: if your child is not in school during the 2-week check window because they are on holiday, they will receive no score as there is no opportunity for them to take the check outside of these dates.

Children will have lots of opportunities to familiarise themselves with the Multiplication Check before they are expected to take it in June 2024.

Further information for parents and carers can be found here:

www.gov.uk/government/publications/multiplication-tables-check-information-for-parents

Should you wish to discuss this further, please arrange to speak to me at your earliest convenience.

Thank you in advance for your co-operation.

Kind Regards,

Miss L. Furness
Headteacher
