## **Attendance and Punctuality Policy**

Policy approved by Local Academy Committee: November 2024

Date for Review: November 2026

# MOMENTS MATTER, ATTENDANCE COUNTS.

*At West View Primary School, we believe that in order to facilitate teaching and learning, good attendance is essential. Pupils cannot achieve their full potential if they do not regularly attend school.*

## **Rights Respecting Article 28 - I have the right to an education**

We are committed to:

- Promoting and modelling good attendance and punctuality
- Promoting the importance of arriving to school and lessons on time to support punctuality
- Reducing absence, including persistent and severe absence
- Ensuring that every child has access to a full-time education
- Regularly monitoring and analysing attendance, absence and punctuality data to identify pupils and families who require more support
- Intervening early and working with other agencies to ensure high standards of attendance and punctuality
- Building and maintaining strong relationships with families to overcome barriers to attendance and punctuality and to enable targeted support to drive forward improvements

As a school, we will:

- Work to cultivate strong, respectful relationships with families to ensure their trust and engagement. Open and honest communication will be maintained about the expectations of school life, attendance and performance so that families understand what to expect and what is expected of them. We will liaise with other agencies working with pupils and their families to support attendance.
- Ensure that there are two sets of emergency contact details for each pupil wherever possible to ensure that there are additional options for getting in touch with adults responsible for a pupil where the pupil is absent without notification or authorisation.
- Ensure that parents and carers are aware of their legal duty to ensure that their child attends school regularly and to facilitate their child's legal right to a full-time education - this means their child must attend school every day that it is open, except for in certain circumstances, e.g. sickness or absences that have been authorised by the Headteacher in advance.
- Regularly inform parents and carers about their child's levels of attendance, absence and punctuality, and will ensure that they are aware of the benefits that regular attendance at school can have for their child educationally, socially and developmentally.

## Legal Framework

This policy meets the requirements of [Working together to improve school attendance](#) from the Department for Education (DfE) and refers to the DfE's statutory guidance on [School behaviour and attendance: parental responsibility measures](#). ### **Attendance Expectations**

At West View Primary School, we have high expectations for pupils' attendance and punctuality and ensure that these expectations are communicated regularly to our pupils and their families.

Any absence affects the routine of a child's schooling and regular absence will seriously affect their learning journey and ability to progress. Any pupil's absence or late arrival also disrupts teaching routines and may affect the learning of other pupils. Ensuring a child's regular attendance at school is a parental responsibility and allowing absence from school, without a good reason, creates an offence in law and may result in prosecution.

**For children in Pre-Nursery and Nursery, the two sessions are as follows:**

**Morning: 8.30am - 11.30am                      Afternoon: 12.15pm - 3.15pm**

A register will be taken by the class teacher at the start of each session.

Whilst it is acknowledged that attendance for under 5's is not compulsory, we still undertake daily registration for these children and attendance is monitored in the same way as for those who are of compulsory school age - we have a statutory responsibility to ensure the welfare and safety of all pupils in our school, regardless of age. Therefore, contact will be established to determine any reasons for absence and regular attendance is actively encouraged.

Even for very young children, there are positive benefits to be gained from regular attendance. This includes not only coming to every planned session, but also being there on time. It is important to build good habits from the start.

### **Benefits of good attendance in Early Years:**

- It builds in young children the idea of routine - that getting up and going to Nursery is simply what you do.
- Children who attend every planned session develop a feel for the rhythm of the week and gain a sense of security from some regular elements.
- Young children find it easier to build and sustain a range of social relationships when they regularly attend.
- Children who rarely miss sessions at Nursery and come on time are more likely to feel good about themselves. This is because they know what goes on and what to expect, feel more confident with the adults and the other children and have more opportunities to be valued and praised for their own special contribution.
- Children who regularly miss sessions or are generally late, can frequently experience a sense of having to try harder to understand what is going on and what other children are talking about or doing.

- Regular attendance, on time, helps many young children to separate from their parents or carers at the start of the day and settle more readily into daily life in the Nursery. This will aid their transition to full time school in Reception.

**For children from Reception to Year 6 there is a 'soft start' to the day. The doors open at 8.40am and children should be in their classroom, ready to start lessons by 8.55am.**

Registers will be taken as follows throughout the school day:

- The morning register will be marked by the class teacher at **8.55am** when the classroom doors close. Pupils attending after this time will receive a mark to show that they were on site, but this will count as a late mark (L) and we will record the number of minutes late that the child has been.
- The morning register will officially close at **9.25am**. Pupils will receive a mark of unauthorised absence (U) if they do not attend school before this time.
- The afternoon register will be marked, at the latest, by **1.00pm** for all pupils - due to staggered lunchtimes across school, the register may be completed earlier in some cases.

Pupils and their families will be encouraged to communicate any concerns related to attendance, punctuality and absence as soon as possible to the relevant member of staff.

### Attendance Register

West View Primary School uses SIMS to keep attendance registers and all pupils are placed onto this register.

Designated staff members will take the attendance register at the start of each school day and at the start of the afternoon session, in line with [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#) . This register will record whether pupils are:

- Present
- Absent
- Attending an approved off-site educational activity
- Unable to attend due to exceptional circumstances

We will use the national attendance codes to ensure attendance and absence are monitored and recorded in a consistent way. **Please refer to Appendix 1 for the DfE attendance codes - they can also be accessed here from page 76 onwards:** [Working together to improve school attendance \(applies from 19 August 2024\) \(publishing.service.gov.uk\)](#)

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of the circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

## **Attendance Register - Deletions**

At West View Primary School, we will only delete pupils from our school roll in line with the Pupil Registration Regulations. In most circumstances, we will know in advance about pupils leaving our school; this will be planned and discussed with the parent/carer in advance of the pupil leaving.

As a school, we will always work with families to gain information about the pupil's next school and/or address before the pupil leaves to reduce the risk of pupils becoming a child missing education through lack of shared information. We follow Hartlepool Local Authority Child Missing Education procedures and will inform the Local Authority Attendance Team of all removals from our school roll no later than the date the child is removed, in line with statutory responsibilities.

***Please also refer to our Children Missing Education Policy.***

If a child is removed from roll to home educate, we can only de-register the child if we receive, in writing, the parent or carer's intention to educate their child other than at school. The pupil will be de-registered on receipt of such a letter and Hartlepool Local Authority will be informed of the removal from roll as outlined above. As part of this process, the Headteacher, or member of the school's Senior Leadership Team will complete a de-registration form and this will be sent directly to [ehe@hartlepool.gov.uk](mailto:ehe@hartlepool.gov.uk)

The Elective Home Education Officer for Hartlepool is Katie Storey.

Telephone: 01429 523346

Email: [katie.storey@hartlepool.gov.uk](mailto:katie.storey@hartlepool.gov.uk)

## **Unplanned Absence**

Parents and carers are required to contact the school office via telephone before **9am** on the first day of their child's absence - they will be expected to provide an explanation for the absence and an estimation of how long the absence will last.

Where a pupil is absent, and their parent or carer has not contacted school by the close of the morning register to report the absence, Inclusion Team staff will contact the parent/carer by telephone call as soon as is practicable.

West View Primary School will always follow up any absences in order to:

- Ascertain the reason for the absence
- Ensure that the proper safeguarding action is being taken
- Identify whether the absence is authorised or not
- Identify the correct code to use to enter the data onto the school system

If we are unable to establish contact with a parent/carer, or one of the child's emergency contacts, then a home visit will be undertaken as part of our school's first day response procedures. Where we are still unable to establish contact and determine a reason for the pupil's absence, we may need to request a welfare check be carried out and this may include contact with Children's Social Care or the Police.

As a school, we will not request medical evidence in most circumstances where a pupil is absent due to illness; however, we do reserve the right to request supporting evidence where there is genuine and reasonable doubt about the authenticity of the illness and in circumstances where the child's attendance is a cause for concern. If, as a school, we cannot be satisfied about the authenticity of an absence from school, this will be recorded as unauthorised.

Where a pupil has a verified and chronic health condition, we will aim to work with parents and carers to ensure that the pupil has access to education and we will provide support in line with DfE guidance - [Supporting pupils with medical conditions at school](#) - [GOV.UK](#)

**Please also refer to our *Supporting Pupils with Medical Conditions Policy*.**

### **Appointments**

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment and provides proof of appointment e.g. an appointment text or letter. However, we encourage parents/carers to make medical and dental appointments outside of school hours, where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

### **Reporting**

We will regularly report attendance figures to parents and carers - and at least on a termly basis we will provide a child's attendance certificate. If a child's attendance falls below 95%, parents and carers will be notified of this sooner via a school monitoring letter or text. If attendance does not improve, this may then be referred on to the Local Authority Attendance team. Attendance figures are also provided in each child's end of year report.

Each child's attendance can be summarised as:

<b>96% - 100%</b>	<p><b>Attendance levels are good to excellent and effort should be made to maintain these standards.</b></p> <p>Having excellent attendance will help your child to progress in all areas of school life: evidence shows that pupils with the highest attainment at the end of KS2 and KS4 have higher rates of attendance over the key stage compared to those with the lowest attainment.</p>
<b>90% - 95.9%</b>	<p><b>Attendance levels are causing concern.</b></p> <p>Strive to improve this figure. Your child is missing out on opportunities for learning and social development. We will work with you to improve attendance for your child.</p>
<b>Below 90%</b>	<p><b>Attendance has decreased to an unacceptable level.</b></p> <p>This is classed as <b>persistent absenteeism</b>. At this point, absence is a <b>serious cause for concern</b> and is significantly disrupting your child's learning. We will work with you and the Local Authority School Attendance Officer to improve your child's attendance. Absence from school without a good reason is an offence and at this point, you will be asked to provide medical evidence to support any absence. Failure to do so will result in the absence being unauthorised.</p>

### **Term-Time Absence**

The Headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the Headteacher's discretion, including the length of time the pupil is authorised to be absent.

As a school, we consider each application for term-time absence individually, taking into

account the specific facts, circumstances and relevant context behind the request. Any request should be submitted as soon as it is anticipated, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via the main school office. The Headteacher may require evidence to support any request for a leave of absence.

Valid reasons for **authorised absence** may include:

- Illness and medical/dental appointments.
- Religious observance - where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, we will seek advice from the religious body to confirm whether the day is set apart.
- Bereavement - including to attend a funeral of a family member.

***As a school, we are not able to grant leaves of absence for the purposes of family holidays.***

### **Extended Leave**

When a child is absent from school for an extended period (i.e. 15 school days or more), the parent/carer should advise the school of the child's temporary address.

### **Attendance Monitoring**

As a school, we will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority levels through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. As a school, we will compare attendance data to the national average, and share this with our Local Academy Committee and Trustees.

In relation to individual pupil attendance:

The Headteacher and Attendance Champion will undertake regular reviews of attendance and register checks will also take place with the Local Authority Attendance Team. Any concerns in relation to a child's attendance or punctuality will be regularly communicated to parents and carers via the school's Inclusion Team or Senior Leadership Team.

If a pattern of absence becomes problematic, the Attendance Champion, together with the wider Inclusion Team, will work collaboratively with the pupil and their parents/carers to improve attendance by addressing the specific barriers that prevent the pupil from being able to attend school regularly. Staff will always take into consideration the sensitivity of some of the reasons for pupil absence and will approach families to offer personalised support rather than immediately reaching for punitive approaches.

### **Legal Sanctions**

West View Primary School or Hartlepool Local Authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

Under the national framework, all schools will be required to consider issuing a penalty notice when a child has missed 10 or more sessions (5 days) for unauthorised reasons in a rolling period of 10 school weeks. The 10 sessions of absence do not have to be consecutive and can be made up of a combination of any type of unauthorised absence (G/O/U coded within the school's registers). The 10-school weeks can span different terms, school years or educational settings.

Paid within 21 days		
	Total for parent 1	Total for 2 parents
1 child	£80	£160
2 children	£160	£320
3 children	£240	£480
Paid within 28 days		
1 child	£160	£320
2 children	£320	£640
3 children	£480	£1440

Penalty notices can be issued by a Headteacher, Local Authority Officer or the Police. The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling period of 10 school weeks
- The number of authorised absences occurring with the rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term-time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the Local Authority can decide whether to prosecute or withdraw the notice.

**There is no entitlement in law for pupils to take time off during the school term to go on holiday or other absence for the purpose of leisure or recreation.** In addition, the Supreme Court has ruled that the definition of regular school attendance is 'in accordance with the rules prescribed by the school.'

As a school, we will work to ensure that parents and carers are supported to secure education for children of compulsory school age. Where required, we will formalise support and where necessary, work with the Local Authority to use legal measures.

#### **Reducing Persistent Absence (PA) and Severe Absence (SA)**

- Persistent absence = a pupil misses 10% or more of school. Over a full academic year, this would be 19 school days (equivalent to 38 sessions) missed.
- Severe absence = a pupil misses 50% or more of school

As a school, we will:

- Use attendance data to find patterns and trends of persistent and severe absence

- Hold regular meetings with parents/carers of pupils considered to be vulnerable or those who are persistently or severely absent to discuss attendance and engagement with school
- Offer catch-up support to build confidence and bridge gaps
- Meet with pupils to discuss patterns of absence, barriers to attendance and any other difficulties they may be having
- Establish personalised plans to remove barriers and provide additional support
- Make regular contact with families to discuss progress
- Assess whether an Education, Health and Care Plan (EHP) or Individual Health Care Plan may be appropriate.
- Consider what support for re-engagement might be needed, including any referrals to wider support services in order to remove barriers to attending school

West View Primary School will work with the Local Authority and other partners to engage all relevant services needed to identify and address the wider barriers to attendance that these pupils are facing.

If parents/carers fail to engage with support offered and their child continues to have unsatisfactory attendance/punctuality, a request may be made to the Local Authority to pursue legal proceedings either through a penalty notice for parentally condoned absence, consideration of an Education Supervision Order or prosecution in the Magistrates' Court. Those found guilty in a Magistrates' Court of failing to secure their child's regular attendance at school under the provisions of the Education Act 1996, will receive a criminal record and a maximum penalty of a £1000 fine under a Section 444 (1) offence or a £2500 fine or up to a 3-month prison sentence, under a Section 444 (1a) offence.

Where a pupil at risk of PA is also at increased risk of harm, we will work in conjunction with all relevant authorities to support the pupil in line with our duty of care. We will also bear in mind that the continuation of absence following intervention may, in itself, constitute neglect, and we will therefore escalate any concerns in this regard in line with our Safeguarding and Child Protection Policy.

### **Part-Time Timetables**

All schools have a statutory duty to provide full-time education for all pupils and we are committed to every child's right to a suitable, full-time education offer. In very exceptional circumstances, we may decide to implement a temporary, reduced timetable where a pupil's individual needs indicate that they cannot currently access a full-time education and it would not be in their best interest to do so. We will not use a part-time timetable to manage a pupil's behaviour.

A part-time timetable will not be treated as a long-term solution and will have a time limit with regular reviews by which point the pupil is expected to attend full-time or be provided with alternative provision. We will never put a part-time timetable in place without agreement from the parent/carer and/or other professionals working with the family, as appropriate.

This intervention will only be used as part of a comprehensive package of support for the pupil where it is safe to do so. It will be reviewed regularly in partnership with the child (where appropriate given their age/ability), parent/carer and any other relevant professionals working with the family.

In line with guidance, we will notify the Local Authority Attendance Team of all part-time timetables as soon as a plan has been agreed.

## **Staff Training**

West View Primary School recognise that early intervention can prevent poor attendance. As such, staff will receive training in identifying potentially at-risk pupils as part of their induction and refresher training.

Training will cover at least the following:

- The importance of good attendance
- That absence is almost invariably a result of wider circumstances
- The legal requirements on schools e.g. the keeping of registers
- Strategies and procedures for monitoring and improving attendance
- Procedures for multi-agency working to provide intensive support for pupils who need it
- The understanding that increased absence from school could indicate a safeguarding concern, and know how such concerns should be managed

The Headteacher will arrange dedicated and enhanced attendance training to the Attendance Champion and other staff with specific attendance functions in their role - this will include training regarding interpreting and analysing attendance data and supporting pupils to overcome barriers to attendance.

## **Monitoring and Review**

This policy will be reviewed as guidance from the Local Authority or DfE is updated, and as a minimum every two years by Miss Furness, Headteacher, together with the Attendance Champion and Local Authority School Attendance Officer - as appropriate. The next scheduled review date for this policy is November 2026.

Any changes made to this policy will be communicated to all relevant stakeholders and at every review, the policy will be approved by the school's Local Academy Committee.
